

## PRESS RELEASE

### **HEALTH ITALIA COMPLETES THE ACQUISITION OF THE ENTIRE CAPITAL OF THE SUBSIDIARY COMPANY BASIS CLINICHE SRL**

*Formello (RM), 17 May 2018*

*On May 15, 2018, Health Italia S.p.A. has acquired 9.09% of the share capital of the subsidiary Basis Cliniche Srl, bringing the shareholding to 100%.*

Health Italia SpA, an innovative SME listed on the AIM Italian market, one of the largest independent companies in the Italian market operating in Integrative Healthcare Services, announces that on May 15, 2018, it became the owner of 100% of Basis Cliniche Srl Share Capital, already 90.91% subsidiary of Health Italia.

The operation was carried out through the subscription of two shares of the company of 4.545% for a total economic consideration of 77,500.00 euros.

Health Italia, therefore, acquires a role of absolute centrality in the strategic choices of the subsidiary Basis Cliniche, further implementing the presence of facilities dedicated to the delivery of health services in the area.

The Health Italia Group operates successfully within the Integrated Healthcare sector, with a group equity of €25.39 million and consolidated equity including non-controlling interests of €26.44 million and a network of committed professionals to guarantee, to over 350,000 patients, the best access to health care aimed at completing and supplementing the one offered by the National Health Service.

**Basis Cliniche** is the Health Italia brand dedicated to the Group's healthcare and multi-specialized structures. State-of-the-art medical centres, led by experienced professionals, guarantee the highest quality standards in all phases of treatment.

The goal of Basis Clinics is to redefine the concept of "patient", to fully understand its needs and to deepen the human aspects, in addition to the medical ones.

The Chief Executive Officer of Health Italia SpA, Massimiliano Alfieri, expressed full satisfaction with the success of the operation, stating that: "Basis Cliniche, as well as Health Point Srl, represents a fundamental step in the development of the Health Italia business model, contributing to the development of the synergies necessary to achieve the objectives we have set for ourselves. "
